

430-2G-HD HEAVY-DUTY SPRAYER

Construction Grade Mid-Sized Sprayer provides superior performance and reliability. This tool includes varied features and choices especially suited for the job site.

- High-performance piston pump pressurizes the tank more efficiently than standard duty sprayers
- Easy-to-fill funnel top can be removed to reveal a large, secondary opening for easy cleaning
- 28" unbreakable wand with professional shut-off valve provides extended reach
- Four-nozzle assortment for multiple spraying tasks
- Brass fan nozzle for carpet care and cleaning applications
- No-drip-check valve eliminates nozzle drip and reduces waste
- Automatic pressure relief valve releases excess pressure at 45 psi; external valve operation also allows manual pressure release

Model	430-2G-HD
UPC #	720343430202
Capacity	2 Gal
Wand	28"
Hose	48"
Pump	Piston
Cubic Feet	0.89
Weight	4 lbs
Carton Size	24.25" x 9" x 9"
Pallet Quantity	75
Commercial Warranty	1 year
