

## Subject: 420 New Dual Market Carton Label

Two Panels for Lawn and Garden, and Two Panels for Equine and Livestock Applications

### Features include:

- Large tank opening for easy filling
- Large pump handle for comfortable operation
- Pressure relief valve for venting excess pressure
- Piston pump with Viton® seals for quick pressurization
- Convenient drift/drip guard for more controlled spraying

### Lawn and Garden Application

- Great for gardening, fertilizing, and weed control
- Perfect for cleaning and general spraying
- Chemically resistant Viton® seals for use with chemicals such as fertilizers, pesticides, herbicides and formulations for plant protection.
- Telescoping wand extends to 23", allowing ground level spraying without bending.
- Nozzle adjusts from jet stream to fine mist for multiple applications.
- Multi-position nozzle makes it easy to spray in tough-to-reach areas.

### Equine and Livestock Application

- Excellent for equine and livestock applications
- Perfect for cleaning and general spraying
- Chemically resistant Viton® seals allow extended use with chemicals such as fly spray, peroxide, show sheen and betadine®.
- Telescoping wand extends to 23" so the user can stand up while spraying, allowing greater reach and mobility.
- One-hand operation frees up your other hand to steady the animal.
- Multi-position nozzle makes it easy to spray in tough-to-reach areas.
