

Subject: SOLO 487-CI Acetone Sprayer

The 487-CI 3 gallon Construction Sprayer is designed specifically for applying Acetone-based formulations, most alcohols and ammonia.

- EPDM seals provide excellent protection against the effects of Acetone.
- Heavy-duty polyethylene tank with ultra-violet inhibitors; will not dent, crack, or corrode.
- Extra long 6' Acetone resistant hose provides extended reach and durability.
- Built-in inflation valve allows pressurizing the sprayer using a compressed air source.
- The high volume hand pump pressurizes the sprayer as much as 50% faster than the competition.
- Pressure relief valve automatically releases pressure at 45 psi to avoid over pressurization. Allows manual release of pressure as well.
- Heavy-duty 20" brass wand provides chemical resistance to Acetone.
- Heavy duty brass nozzles, including .4 GPM cone, .2 GPM cone, and .5 GPM fan nozzles.
- 4.5" opening allows easy filling and thorough cleaning.
- Extra large pump handle with built-in wand retainer for convenient carrying and pumping.
- Commercial shut-off valve with lock-on/lock-off feature reduces user fatigue.
- The nozzle assembly accepts Tee Jet® and other industry standard nozzles.
- 1-year commercial warranty against defects in material and workmanship.
