

## 211-HD AND 212-HD INDUSTRIAL TANK SPRAYERS

Purpose-built sprayers for industrial, pest control, bleach solutions, cleaning and disinfecting applications.

Preferred features with ease of use make these sprayers the better choice.

**NEW**

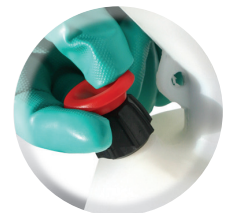

- High-density Polyethylene (HDPE) tank does not crack or corrode
- Easy-to-fill funnel top
- Large pump handle with a built-in wand retainer
- High-performance piston pump pressurizes tank with as much as 50% more efficiency than the competitor's
- Durable and chemical-resistant Viton<sup>®</sup> seals
- Automatic pressure relief valve releases excess pressure
- 48" PVC hose for greater reach
- Durable 24" poly wand and professional shut-off valve assembly
- No-drip check valve eliminates nozzle drip after pressure is released
- Plastic adjustable spray nozzle included. TeeJet<sup>®</sup> compatible
- 45 psi pressure

Easy grip shut-off valve reduces hand fatigue

Built-in funnel top for easy fill-up

Pressure relief valve vents excess pressure
