

Subject: 425-HD Backpack Sprayer
Built to handle the tough jobs

Designed to make even the largest spraying jobs manageable. Unique fluid-driven pump design pressurizes to working pressure with as few as eight to ten strokes. Easily provides consistent pressure when precision application is required.

- High-performance piston pump for liquid formulation
- Adjustable pressure regulator with four settings: 15, 30, 45, 60 psi
- Durable professional grade brass adjustable, brass fan, hollow cone, and jet stream nozzles
- No-drip check valve eliminates nozzle drip
- Viton® seals in critical locations for superior chemical resistance

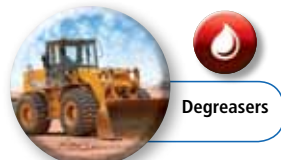

Viton® is a registered trademark of DuPont Dow Elastomers.

425-HD Backpack Sprayer

Large 4.25" opening with strainer for easy filling and cleaning

Adjustable Pressure Regulator Valve sets max pressure at 15, 30, 45 and 60 psi for all spraying needs

4-gallon, UV resistant, high-density polyethylene tank

Commercial shut-off valve with lock-on / lock-off feature reduces operator fatigue

4 feet of high pressure spray hose

28" Unbreakable wand and shut-off valve assembly provides excellent reach

Commercial quality interchangeable nozzle system

Brass Adjustable Nozzle

Brass Fan Spray Nozzle

Hollow Cone Nozzle

Jet Stream Nozzle

Includes 4 Nozzles to Meet Virtually Every Spraying Need
Accepts TeeJet® nozzle tips

Deluxe shoulder straps for greater operator comfort

No-drip check valve eliminates nozzle drip

Pump lever easily reversible for left- or right-hand operation

Built-in wand retainer for easy storage

Powered by chemical resistant piston pump with Viton® valve plates and collar

Piston Pump for Liquid Formulation

- Produces pressure of up to 60 psi
- Performs virtually every spraying task
- Easily and effectively handles disinfectants, fertilizers, herbicides, pesticides and formulations for tree, shrub and plant protection
- Viton® seals in key locations ensure long service and durability

Easier operating shut-off valve with lock-on / lock-off feature
for reduced hand fatigue

Pull-tabs
for quick strap adjustment

Deluxe Shoulder Straps
for greater operator comfort

Adjustable Pressure Regulator Valve
with four positions: 15, 30, 45, 60 psi for all spraying needs
