

EAZY 206 BATTERY-POWERED HANDHELD SPRAYER

NEW
Available in Fall 2022

Ideal for a variety of small, medium, and large spraying jobs at home and on the farm, including general spraying, weed control, and gardening. Achieve optimal spraying coverage minus tiresome pumping with lithium-ion battery sprayers. Suitable for use with all approved plant protection chemicals and liquid fertilizers.

- Removable 11.1 V / 2.5 Ah lithium-ion battery. Up to 2.75 hour running time. 2-hour charging time.
- 1.6 gal translucent formula tank with a stable tank base.
- 37.5 psi pressure.
- Shoulder strap for user comfort.
- Extra long 6.5' coil hose makes it convenient to spray even when the sprayer is on the ground.
- 28" unbreakable wand and shut-off valve assembly provides excellent reach.

Centrally located, enclosed electric pump. Simple battery removal and easily accessible, protected control switch.

Charger and lithium-ion battery included.

Carrying handle with integrated wand retainer for convenient storage
